### **Class Song**

Four years ago we came here,  
With a goal that we wished to gain;  
We have worked many hours and we've played some,  
Graduation was our aim.  
For we knew not what was coming,  
There was no way that we could tell,  
Whatever the future may be  
H. H. S. days will serve us well.

The friends we have found here are fine and true,  
And their memories will always remain;  
Seniors are going but they'll be true  
And we hope they'll return again.  
Now, we're entering the rush of the old cruel world,  
And our paths may be far, far apart;  
So goodbye H. H. S. we are leaving now,  
But your love will remain in our hearts.

## Class Poem

### "UPWARD AND ONWARD"

We were only "gobs" and "rookies" when we joined up four years ago,  
And well aware of all the knocks we'd meet with friend and foe.  
But still we held our heads up high in honor of our school,  
And as we trudged along the way we sought the Golden Rule.

We won a rating with every term which helped the years to fly,  
And when we won our Senior stripes our hopes soared to the sky!  
For soon we'd be commissioned in our struggle through the years:  
We'd leave behind dear H. H. S. with joyful, loving tears.

For H. H. S. was good to us from start right to the end,  
And each of our commanders proved to be our loyal friend.  
They strove to teach us right from wrong while coming through the ranks,  
And now we will salute them with a real good hearty *thanks!*

No more we'll linger in the rooms or wander through the halls,  
For the time has come when we must go; we go where duty calls.  
The bugle has sounded forth the note that echoes through the glen,  
"Lift up your heads, make firm your step, march onward, you are men!"

## **Alma Mater**

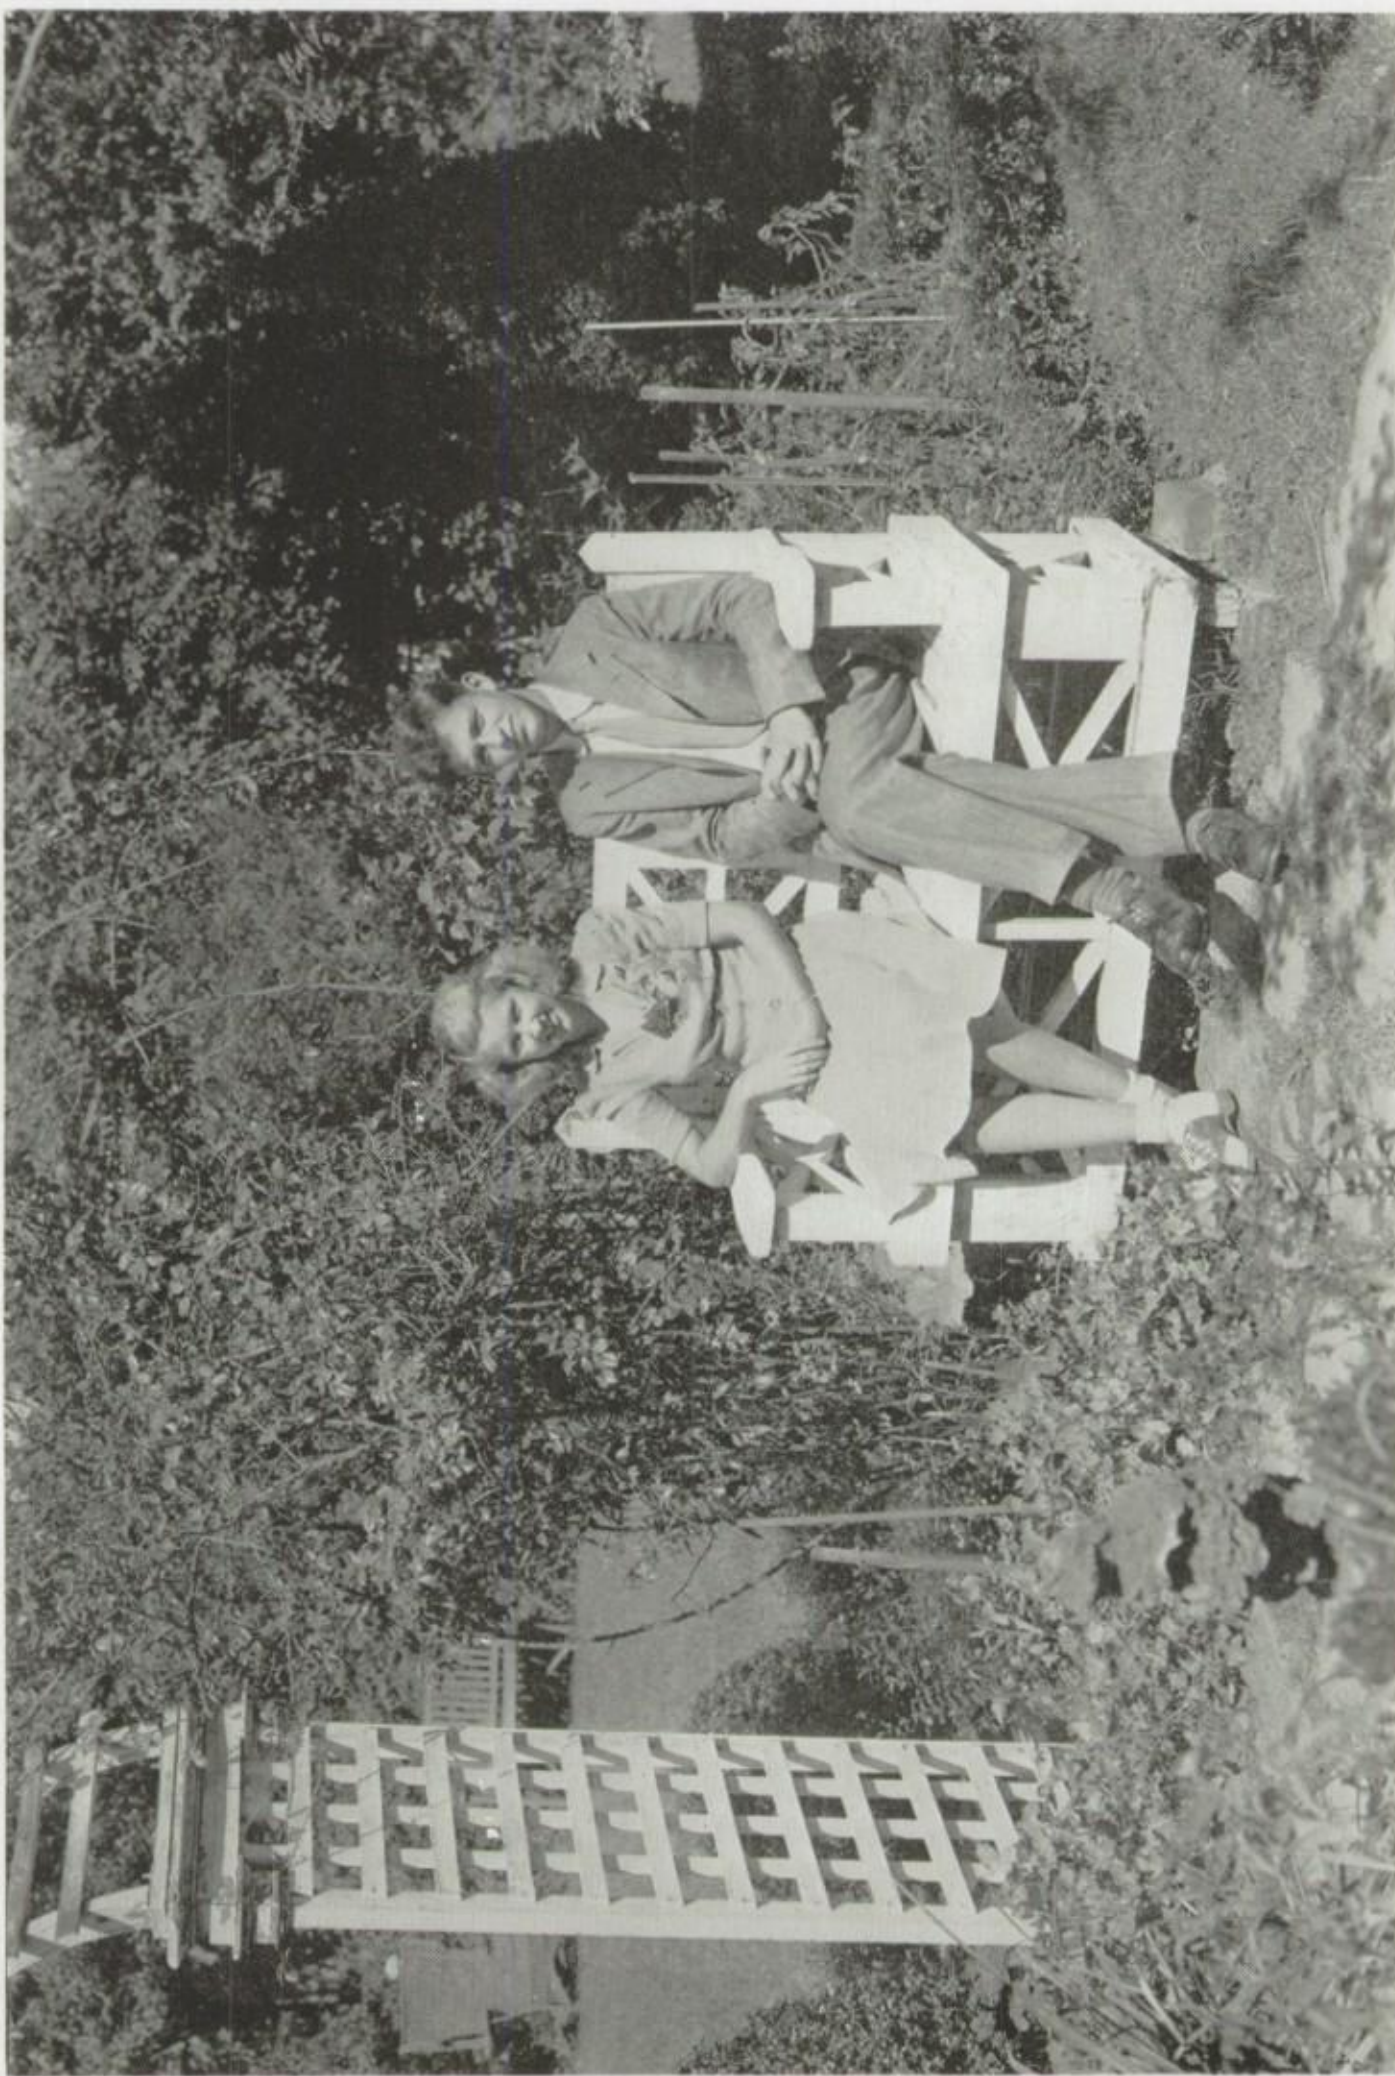

All hail to Thee! Our H. H. S.,  
The fairest school in all the land;  
Our filial love to Thee confess,  
An ardent, youthful, faithful band.  
Our hearts beat firm and strong for Thee;  
Our voices sing Thy praise;  
Thy sons and daughters pledge to Thee  
Devotion all their days.

O, Country dear, Thy name we love;  
Thy stars and stripes we will defend;  
Our sons of H. H. S. go forth,  
A patriotic band.  
No foreign foe shall enter here;  
No tyrant rule our land;  
In Freeman's heart there is no fear,  
When homes our lives demand.

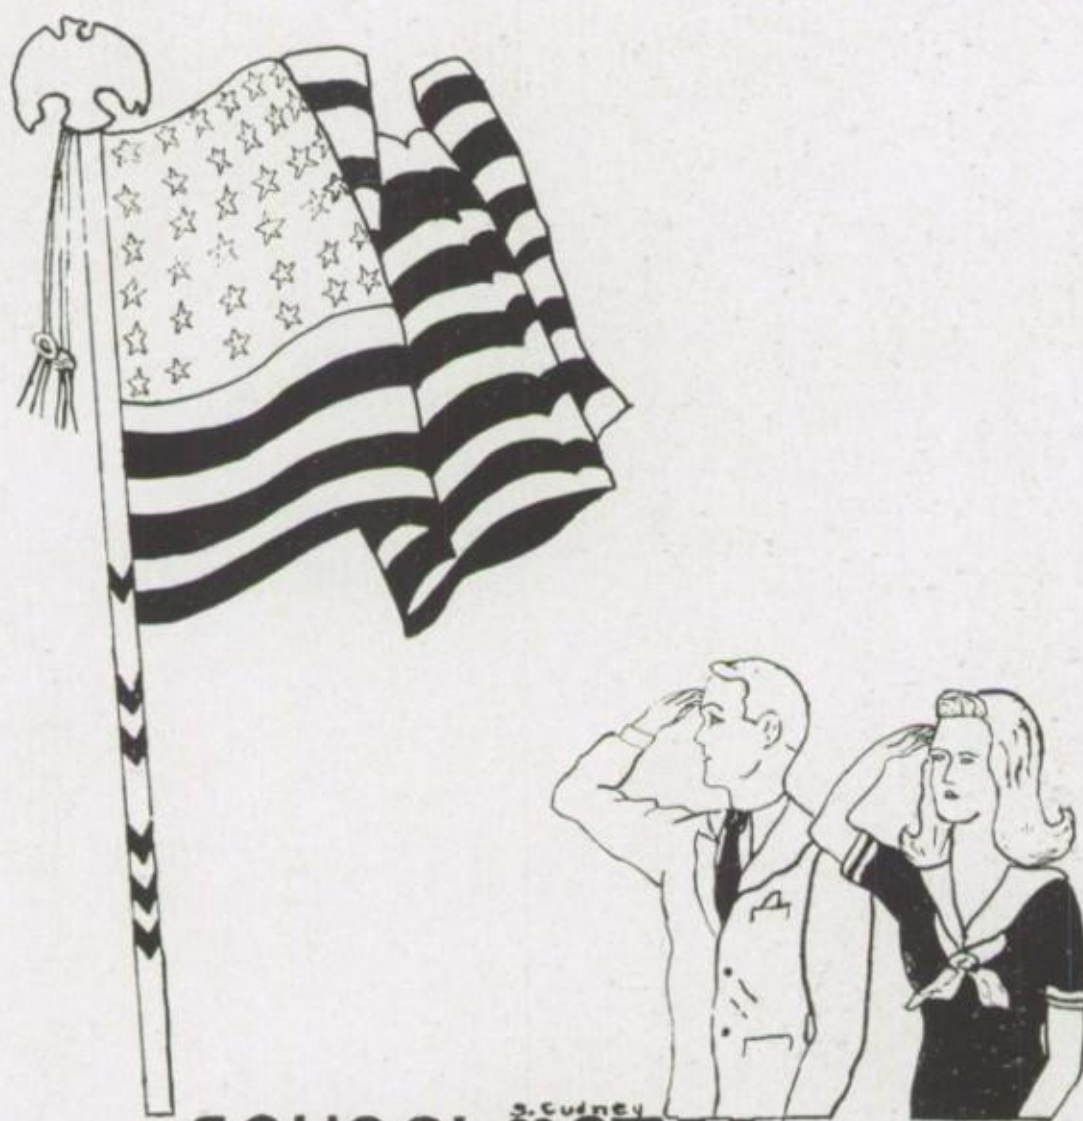

Our fathers' God! we praise Thee for  
The men who gave us school and state;  
Grant that their work may long endure,  
Young patriots to make.  
May Virtue, Truth, and Right prevail;  
May Freedom be our pride.  
Our nation's strength shall never fail,  
For Thou art still our guide.

## **"Visit Our School Day"**

Our Ninth Annual "Visit Our School Day" was observed on Wednesday, March 25, 1942. One hundred thirteen pupils from the eighth grades were present from the following schools: Allamuchy, Andersontown, Central, Hoagland, Long Valley, Port Murray, Townsbury, and Hackettstown. Our visiting prospective High School Pupils had an opportunity to observe classes in their normal surroundings and to obtain some idea of the opportunities that the school will offer them. Both in classes and in Assembly they became acquainted with Principals and Teachers.

## Junior Prom

A "V...— for Victory" ceiling of red, white, and blue streamers roofed the gala occasion of the Hackettstown High School on the social calendar of 1942. Side wall decorations and a canopied orchestra stand further carried out the patriotic motif with flags and streamers.

Thus the stage was set on the evening of March 26 for the Junior Prom.

Music stylized by Ken Brader began at eight o'clock and was enjoyed until the last strains faded away at midnight.

At 9:30 the Grand March led by class president, William Schmeal and his guest Helen Durell passed in review.

Plans and preparations for the evening were made by the following committees, as appointed by the class president:

Invitation Committee: Janet Nyhuis, Chairman; Joyce Vail, Margaret Beatty.

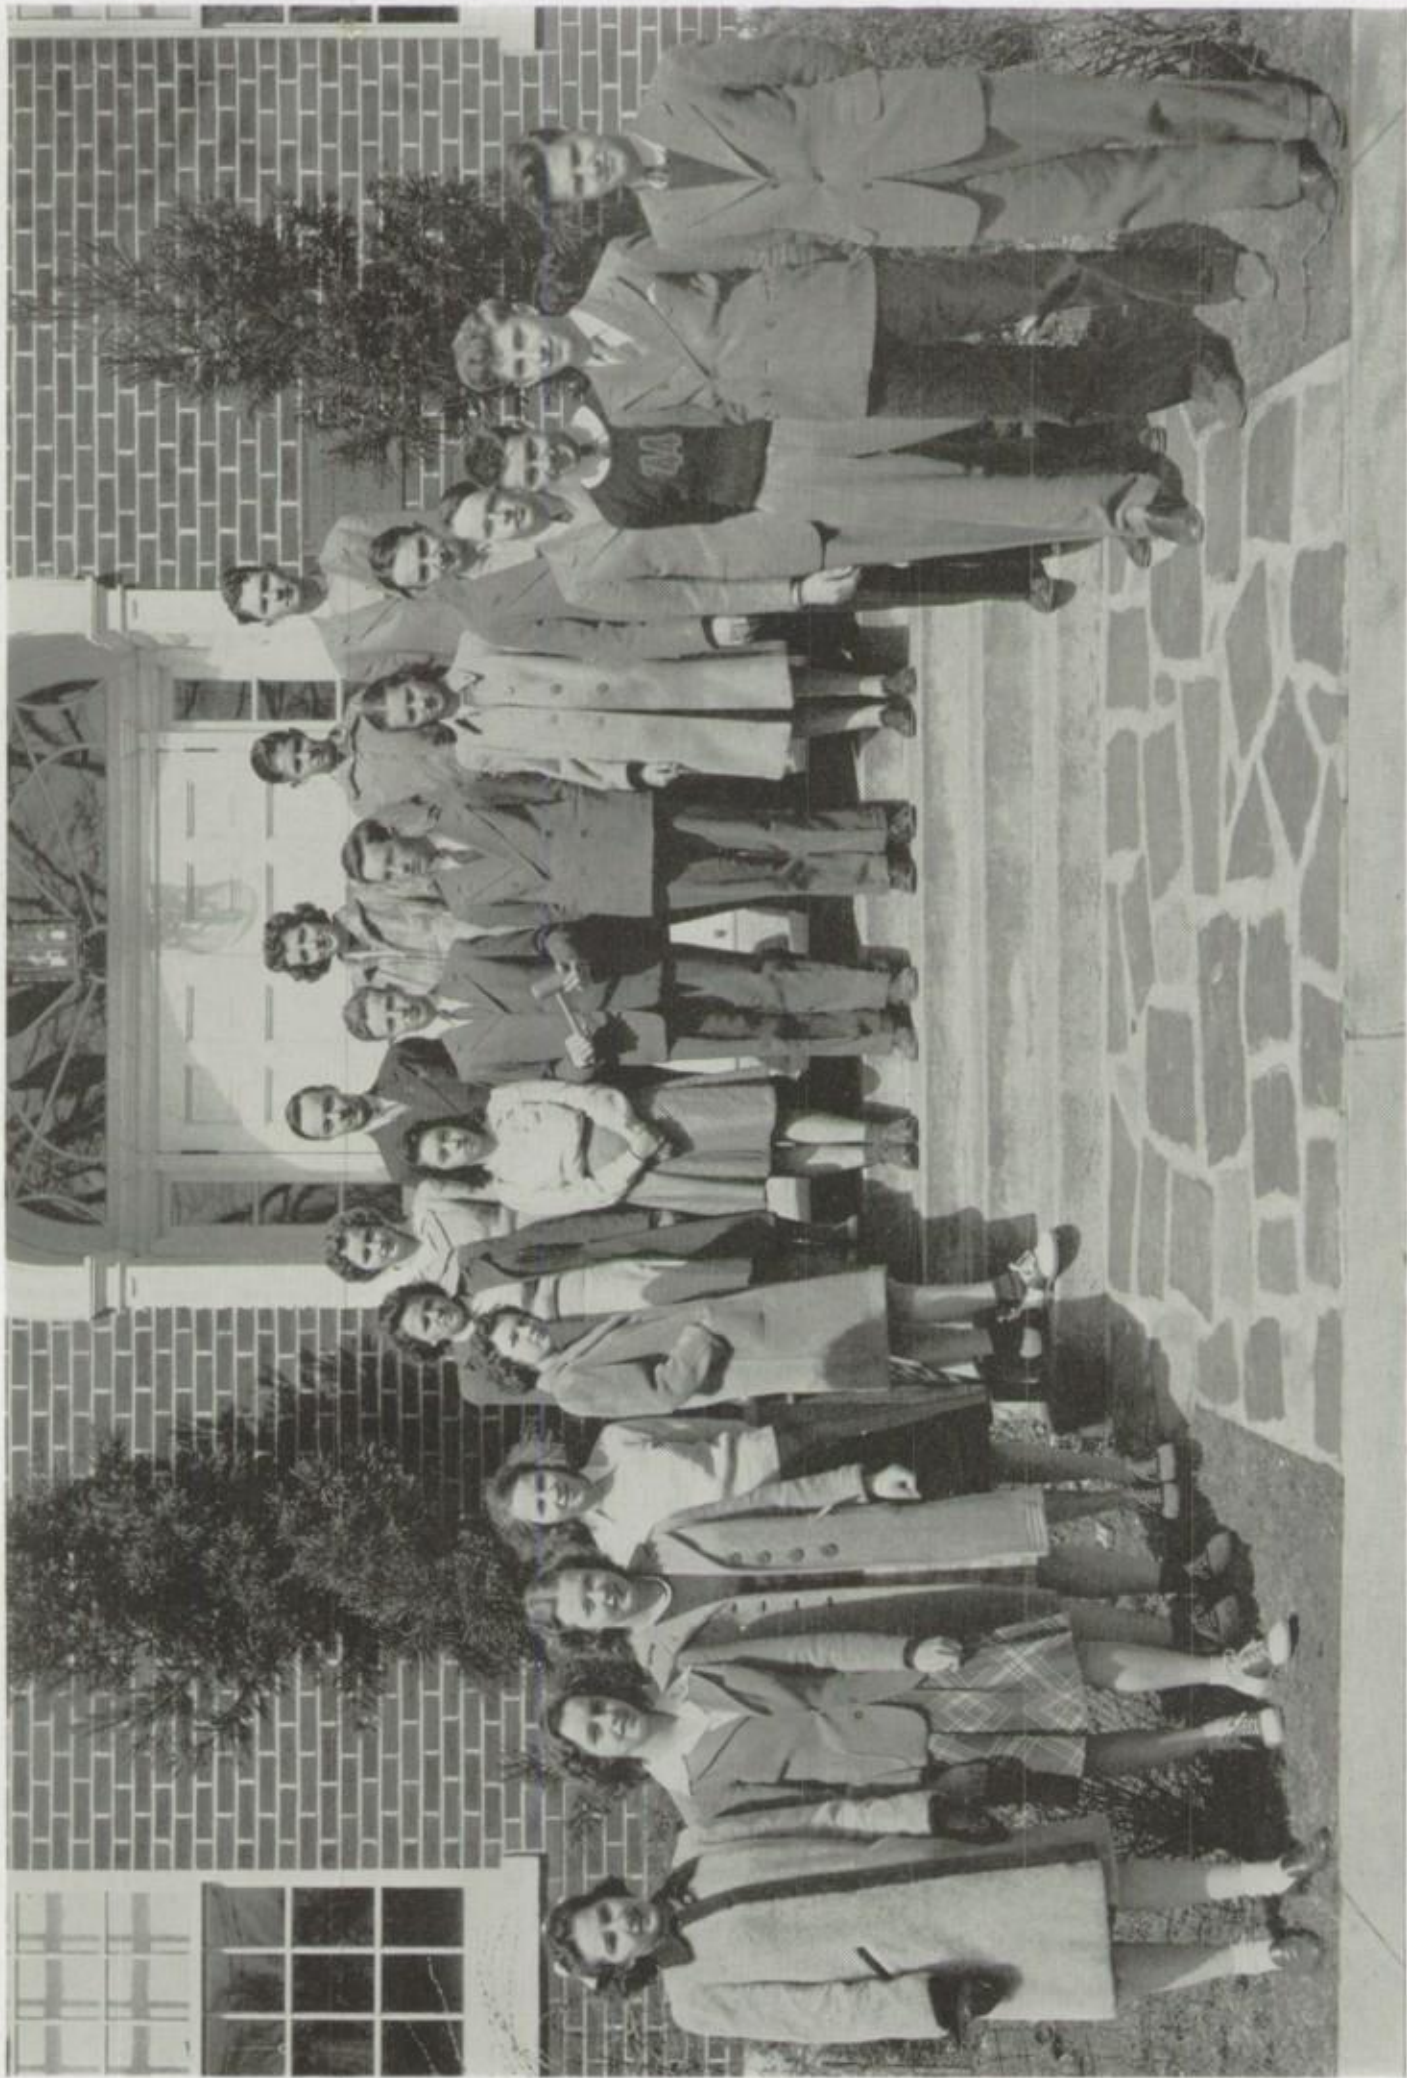

Music Committee: Loretta Di Rienzo, Chairman; Wilmot Rush, Dorothy Huff.

Reception Committee: Lois Kugelman, Chairman; Lorraine Wandelt, Patricia Palmer.

Decorating Committee: Richard Batson, Chairman; Daniel Allen, Albert Alpaugh, Willis Beatty, Dale Beltzner, Arthur Boice, Robert Curl, Norton Euart, William Getchius, Howard Goarcke, Stanley Hedden, Robert Johnson, Robert Kastenhuber, Arthur Kice, Margaret Beatty, Betty Blake, Dorothy Clark, Clarence Tynan, Clifford Tynan, Lewis Vliet, Andrew Smith, Harry Tenny, Girard Simpson, Raymond Sparnon, George Saunders, Henry Martin, Harvey Perrine, Wilmot Rush, Dorothy Huff, Jean Kelly, Rose Kowalick, Mary Laskey, Cecelia Marks, Doris Morgan, Janet Nyhuis, Lillian Piteo, Lorraine Reed, Sarah Tiffany, Joyce Vail, Lorraine Wandelt.

The Patrons and Patronesses for the evening were: Mr. and Mrs. Edward W. Kilpatrick, Mr. and Mrs. William H. Rice, Mr. and Mrs. Van Cleve Brugler, Mr. Harold W. Keller, Mr. and Mrs. C. Albert Johnson, Miss Louise Lloyd, Miss Emily Johnson, Mr. and Mrs. William H. Voorhees, Mr. and Mrs. Edwin F. Hale, and Mr. Hermann Bielefeld.

## Model Airplane Club

The Airplane Club, formed last year, had much success and is, therefore, being continued this year. The club built fifty models last year for the United States Navy. Airplanes are very important in this war of today and are used on every battle front.

The work of building the models provides knowledge for the boys. After building a model the boys can recognize it easily which makes them familiar with all types of planes. This year the club is going to build thirty new models for the Navy. The planes are used to train military and civilian pilots, airplane spotters, and thousands of others who are concerned with the recognition, range estimation, and determination of co-ordinates of fire of planes of the United States and Axis Nations.

Meetings are held Thursdays, eighth period, under the direction of Mr. John N. Balmoos. Mr. Balmoos, having served in the United States Army Air Corps in World War No. 1, does an excellent job of directing and leading the boys.

### 1942 FOOTBALL CHAMPIONS of Group 1, Section 2, of the State of New Jersey

Football supremacy again prevailed at Hackettstown High School when on December 2nd, 1942, the State Interscholastic Athletic Association crowned the 1942 team the New Jersey State Champions of Group 1, Section 2. It was the sixth championship award for the Hackettstown High School football teams coached by Mr. Morrison.

Opening the season on Saturday, September 26th with Wharton High School the opposition, Hackettstown, the favored team, won easily by a 26 to 0 score.

Traveling to Somerville, Saturday, October 3rd, and expecting trouble from the big, heavy Somerville High School team, the lighter, speedier eleven of Hackettstown roared overland to emerge with a 19 to 6 victory.

Up to Saturday, October 10th, the Hackettstown team was tasting only the sweet of football fortune but the encounter with the Boonton High School team made them taste the bitter, for Boonton handed them their first and only defeat of the season.

In a lethargic game, Boonton High School, on a safety, won 2 to 0. With Hackettstown in possession of the ball on Boonton's 25-yard line in the second period of the game, a Hackettstown play that is usually very successful failed, and at a most inopportune moment, to give the Boonton team a victory.

Smarting under their defeat, Hackettstown's resurgent eleven ran rough shod over their next opponent, Franklin High School, at Morrison Field, Saturday, October 17th. The speed of the local backs and the quick drive of the line, despite a slippery field, was too much for the bulky visiting eleven.

The Orange and Black representatives made effective use of both passing and running combinations to overpower the superior weight of Franklin. Franklin's lone touchdown came late in the second period against an eleven that was by then heavily infiltrated with substitutes.

Like the Duke of York's soldiers, the Washington High School football team marched up and down Morrison Field, Saturday, October 24th, but they got no place.

Washington battered the Hackettstown team from pillar to post to gain a tremendous statistical advantage, but the Washington team was to discover to their sorrow that all the statistics in the world are not worth a fraction of one Arthur Boice, the fleet-footed opportunist of the Hackettstown team.

After 48 minutes of hair-raising football, the Hackettstown minions trotted off Morrison Field to the cheers of most of the 3,500 bulging-eyed spectators with a 20 to 0 triumph.

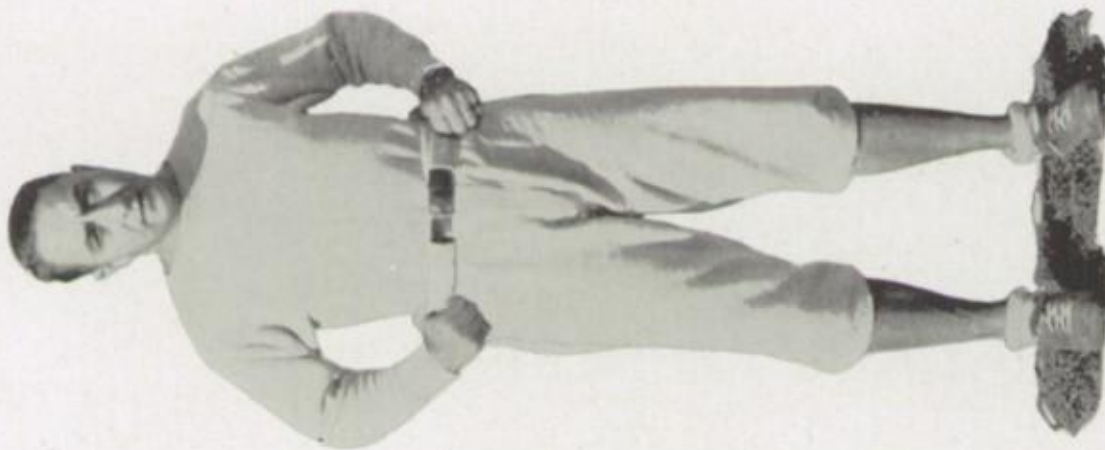

Creating the breaks and capitalizing on them to the limit was the secret of Hackettstown's success in taking the heavy end of the score from a favored team that outweighed the locals and made 14 first downs to 4 for Hackettstown. The game was replete with thrills and long touchdown runs by Arthur Boice with excellent down field blocking by his team mates.

On the defensive the greater part of the game, perhaps the most sensational feature was the stand of the Hackettstown team in the fourth quarter when Washington had the ball on Hackettstown's 15-yard line. After a series of line bucks the Washington team made it a first down on the Hackettstown five. But in the four ensuing tries the Hackettstown team tightened and took the ball on downs on the one-foot line. It was a goal-line stand worthy of the highest praise.

---

On Saturday, October 31st, the Hackettstown High School team flashed a versatile attack to humble a heavier Dover High School eleven, winning 32 to 6. Hackettstown wasted no time in posting a score on a 60-yard drive on the ground that was uninterrupted all the way. In the second quarter Hackettstown really went to work and scored 20 points by land and air. Dover tallied in the final period and Hackettstown also added another touchdown for good measure.

A weak Newton High School team was next defeated on Saturday, November 14th, by the score of 39 to 0, the Hackettstown substitutes playing the greater part of the game.

There was sturdy, rocking football at Succasunna Thanksgiving Day morning, November 26th, when the Hackettstown eleven met the Roxbury High School team and with powerful operatives bagged a 13 to 0 victory to tumble the hard-battling Roxbury eleven from the ranks of the State's unbeaten squads.

Not in the least dismayed by the reputation of their opponents, Coach Morrison's pupils gave an admirable exhibition of solid football. While being held scoreless in the first half, in the second period Hackettstown was stalled five yards from their objective, not by Roxbury, but by the clock.

Following the intermission, Roxbury wilted before the strong pace set by Hackettstown, who hammered away at Roxbury's valiant defense and scored two touchdowns and an extra tally.

To the victor, the spoils. To the team, who kept physically fit and who carried out their assignments to bring to Hackettstown High School a championship award.

To, perhaps the fastest fullback ever to wear the Orange and Black of Hackettstown, the Beau Brummel of the team, Arthur Blake, Co-Captain, whose running and passing were par excellence.

To our streak of lightning, Arthur Boice, halfback, who helped so magnificently in putting the rout to Washington High School.

To Merrill Sargeant, our half-pint center, who utilized every bit of his 140 pounds to distinct advantage and to Robert Murlin, quarterback whose short dashes and generalship aided the team greatly.

To Co-Captain Richard Batson, a stalwart in the line both on the offense and the defense and to the kicking of Robert Grant.

To Alfred Applegate, halfback, the key blocker of the team, and to John Read and Andy Smith, our alert guards who were in every play. To our ends Lewis Vliet, John Groome and Kenneth Wilson.

To Robert Johnson, who also contributed to the team's success.

To L. Milton Hibler, who aided Mr. Morrison in conditioning the team and thereby set the stage for the final touches.

To Mr. Morrison, our coach, who developed his sixth championship team for Hackettstown High School through his teachings and untiring efforts and who gave to the athletic world, a symphony.

Cup, Andy Smith for sportmanship, teamwork, and training.

For the season 1943, Alfred Applegate and John Read were elected Co-Captains and William Richter, Manager.

The managers for this year's team were Harold Stephens and Norton Willson.

## Junior Varsity Football

The Hackettstown Junior Varsity played three games, tying one and losing two.

The first game was a real battle all the way. Although outweighed and outclassed, our Jayvees held the St. Bernard's Varsity to a 6-6 draw.

The wind and Washington's superior weight stopped the Hackettstown Jayvees' passing and running offense by the score of 26-6.

The last game at Belvidere was played on a cold and windy day. Against superior weight and a powerful halfback, the Belvidere Varsity beat our Jayvees by the count of 24-0.

Milton Hibler did a fine job of coaching the Junior team considering the scarcity of material he had to work with.

Honorary Co-Captains of the Junior Varsity were Robert Blake and William Burke.

## Baseball

With an exceedingly small squad, lacking experience and confidence, the Hackettstown High School baseball club opened the season by defeating Belvidere High School, 9 to 6. Wallace Pill pitched splendid ball, striking out ten of the opposing batsmen.

In the second game, a return match with Belvidere, Douglas Hosking, the Hackettstown Captain, pitched a masterful game but lost the contest after three extra innings when Belvidere scored on three singles to win, 8 to 7. Hackettstown lost their next two games on errors, Boonton High School, winning 4 to 2, and Butler High School 11 to 4. Hackettstown came back in their fifth game and easily trounced Boonton High School, 9 to 2, piling up ten hits, 17 stolen bases, and only committing one error.

With Newton High School the next opponent, the slugging of the Hackettstown team continued with twelve base hits and twelve stolen bases, to win, 11 to 4. In their game with Washington High School, Hackettstown went seven innings before they had a hit or scored a run. With three men on, Blake doubled and scored two runs. A moment later he slid in safely on a play at home plate. Washington scored their lone run in the fourth inning.

Hackettstown won their fourth consecutive game when they defeated the Netcong High School team, 18 to 5. In their game with Butler High School, Hackettstown had the edge on everything but the runs in the scoring column, Butler having 9 to Hackettstown's eight. It was the second game they lost to Butler on errors. Franklin High School was able to stretch their winning streak to twenty-one games when they defeated Hackettstown, 3 to 1. The Hackettstown team played good ball but were unable to hit, many men being left on the bases. A weak Newton High School team was again defeated by Hackettstown, 11 to 6, with the hitting and scoring coming late in the game.

Playing their last game of the season with Washington High School, the Hackettstown team could only score two runs, one in the first inning and one in the second for their only tallies of the game, while Washington, hitting heavily, scored seven runs, to even the series.

The team had an average of five hundred with six games won and six games lost.

Leading hitter was Wallace Pill who was also elected captain for 1943.

The following received the letter, "H," and certificate:

## Varsity Basketball

Due to wartime conditions several of the 1943 basketball games were cancelled, but of those played, four were won, six lost.

The Tigers got off to a flying start by showing their claws to Belvidere. We won by a score of 49 to 18. Another success followed in the defeat of Netcong, but unable to accustom themselves to a small court, they were not able to make it a high-scoring game.

The first setback came from a good ball-handling Roxbury team, which was playing on its own court.

Our arch-rival, Washington, who made every shot count, handed us a defeat on our own court before a large crowd of home students.

In the next two home games we were defeated by Boonton and Roxbury. The next home game was a different story. We defeated Netcong, and Andy Smith scored 20 of the 21 points to gain the season's high score record.

Smarting from their previous setback the Hackettstonians, followed by a large group of rooters, traveled to Washington to seek revenge. Luck was not ours, however, and again we were vanquished. Our last road trip of the season spelt victory for our opponent, Boonton.

In our final game of the season with Belvidere, we were able to defeat them by putting on a strong attack in the last half. The team, therefore, finished its season as it had started, with a victory.

David Muir and Gerald Green were elected co-captains for 1943 and Harry Poole was elected manager.

H's and Certificates were awarded to the following:

# THE ORACLE

## Tennis

For the second straight year only one letter man served as a nucleus for the team. However, a bit of talent was uncovered in the large group of boys that came out for practice. It was also encouraging to have two Freshmen make the team.

In the singles, Captain Henry Martin played number one position; Norman Bragar number two position; William Thorp number three position. First doubles were handled by Norton Willson and Lewis Vliet. Kenneth Willson and Gerald Cannon took care of the second doubles.

Our schedule was curtailed this year due to the fact that three matches were cancelled by our opponents because of lack of transportation. We hope that next year the war situation is such that a full schedule can be completed.

Norton Willson was elected captain of the 1943 team.

The following received the letter, "H", and certificates:

|                            |                      |
|----------------------------|----------------------|
| Henry Martin, '43, Captain | Lewis Vliet, '43     |
| Jack Cannon, '42, Manager  | Norton Willson, '43  |
| William Thorp, '42         | Gerald Cannon, '45   |
| Norman Bragar, '43         | Kenneth Willson, '45 |

Numerals were awarded to the following:

|                      |                      |
|----------------------|----------------------|
| Robert Curl, '43     | William Schmeal, '43 |
| George Saunders, '43 | Harry Tenny, '43     |
| Fred Perry, '44      | Fred Adams, '45      |

is nowhere so essential as in school annuals. The story told by words no matter how cleverly composed is worthless unless it provides testimony of scholastic life with a PHOTOGRAPH.

Over fifteen years of experience in photography of school periodicals places us in an understanding position to render faithful photographic reproduction of school activities.

We take pride not in quantity of schools we serve, but in consistently good quality photographs we make.

This is a book of memories, it will always remind us of pleasant associations with the faculty and the student body. We are therefore proud of the privilege to be the official photographer of "The Oracle."

## Supposing *you* were a plane?

An airplane is both strong and intricate. Minute defects if neglected lead to irreparable disaster.

So it is with your body. To keep it at its highest efficiency have your physician examine you regularly. Many disorders and other painful illnesses are prevented by timely detection of minor disorders.

Take care of yourself as airplane mechanics take care of their craft. Have your "check-up" frequently.
